EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael Krieger and Jarod Marrott on June 30th, 2006.

The application has been amended as follows:

Cancel Claims 26, 27, 45-51.

In claim 25, line 1, delete “the steps of:”

Delete lines 2-7;

in line 8, after “composition”, insert “made according to Claim 1”; and

in line 8, delete “to hydrate the skin”.

In Claim 28, delete lines 2-11; and

in line 12, after “composition”, insert “made according to Claim 1”.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claim rejections made under 35 U.S.C. § 112, second paragraph as indicated in the previous Office action dated January 24, 2006, is withdrawn in view of claim amendment made by applicants in response filed on April 25, 2006.

Obvious double patenting rejection made in the same Office action is withdrawn in view of the terminal disclaimer filed on April 25, 2006.

Claims 1, 2, 4-25, 28, 30-44 are allowed over the prior arts.

Kondo (JP 200095663A) teaches a cosmetic composition comprising 4.8 % by weight of a bark extract of *Morinda citrifolia* among other plant extracts. Gidlund (US 6436449 B2) also teaches that the extracts from *Morinda citrifolia* roots, bark and leaves or fruits are used to treat tinnitus. Examiner views that the claimed methods are nonobvious over the combined teachings of the references because these do not teach or suggest making or using a cosmetic composition with the processed fruit juice extracts and particularly with the processed seed oil extract as required by the present claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
